

We hear you say you want to stimulate the stalled economy.
We hear you admit that our present tax system is broken.
We don't hear you considering the one solution that would fix both.

Now pending in Congress: H.R. 25 and S. 296

You owe it to us—"We the People" who are footing the bill for all your attempted solutions—to pass the FairTax Bill—NOW!

We are asking you to study the FairTax Plan—
We are asking you to support and promote H.R.25 & S.296
We are asking you to PASS the FairTax—NOW!
